## Rattle rattled by 'jingoistic' Proms element

SNOOTY conductor Sir Simon Rattle said he avoids conducting at Last Night of the Proms because of unease at the 'jingoistic elements'.

Rattle, 66, said he has been 'torn' over the concert, which traditionally features *Rule, Britannia*, since the 1982 Falklands conflict.

While he thinks the Proms is an 'extraordinary' way of bringing people together, he has steered clear of it in the past.

There was outcry last year over news that instrumental versions of *Rule, Britannia* and *Land of Hope and Glory* would be played. The BBC overturned the decision.

The curly-haired stick-waver (above) blathered: "I thought it was sad it made such a noise. I never conducted the Last Night, always avoided it a bit, uneasy about some of the jingoistic elements."

## UK retail sales strong in July

UK retailers have reported another strong month of sales growth but saw stock levels slump to a new record low, according to fresh data.

The latest retail sales research from the Confederation of British Industry (CBI) said sector sales for July were ahead of expectations as they showed a marginal slowdown from June, which had seen the fastest rise since 2018.

It revealed a 23% rise in retail sales volumes for July, having recorded a 25% improvement in the previous month.

# STAYCATION GRIDLOCK

TWO-THIRDS of Britons have booked a holiday at home in 2021 as the international travel situation remains uncertain amid the COVID pandemic - a 53% increase on a typical year.

New research suggests the Lake District, Cornwall and Devon will be the most popular destinations.

And sat-nav app Waze warns this could cause chaos for motorists on popular routes.

The poll of 2,000 motorists predicts the M6, A30, M5 and A303 could become hotbeds for queuing traffic throughout

## Experts warn of chaos in Lakes, Devon & Cornwall

the summer season as thousands rush to idyllic British destinations.

Meanwhile, routes to major UK airports like Heathrow, Bristol and Manchester are also expected to become congested by those risking international travel in an ever-changing COVID climate.

Bookings to amber

destinations have increased by up to 400% since the previous policy change.

Waze UK country manager Ru Roberts said: "Our data shows a huge eagerness to get back on British roads this summer and there are already more cars than ever being driven following the initial relaxing of restrictions in April."

## Hospital forced to cancel ops after flooding

A HOSPITAL in east London has cancelled planned surgery and outpatient appointments after heavy rain on Sunday caused flooding.

Whipps Cross Hospital had been forced to move about 100 patients to different facilities following loss of power.

Ceiling panels on the maternity ward also collapsed.

Although the unit remains open for walk-ins, maternity patients requiring urgent treatment are being asked to attend alternative hospitals where possible.

Maternity cases needing an ambulance may be diverted to an alternative unit until Whipps Cross is functioning again.

A hospital spokesperson said: "All elective appointments have been cancelled for today only while we work hard to clean up affected areas of the hospital."

"At present, elective appointments later on in the week are unaffected but this may change."

"We are keeping the situation under constant review."

## Woman, 29, in court on murder charge

A WOMAN has been charged with murdering a man in Burton-upon-Trent.

Staffordshire Police said 31-year-old Oliver O'Toole was pronounced dead at the scene in Rosliston Road, Stapenhill, shortly after midday on Sunday.

The force said the victim's family are being supported by specially trained officers.

Kayley Mahood, 29, of Rosliston Road, has been charged with Mr O'Toole's murder.

The suspect appeared at North Staffordshire Justice Centre on Tuesday morning.

Mahood was remanded into custody to appear at Stafford Crown Court on Thursday.

Police inquiries are continuing.

SIGNS LOOK GOOD: Prof Ferguson

## Sorry, Prof...we've heard that one before!

**THE worst of the pandemic could be behind us by late September, an expert has said, as the number of COVID-19 cases in the UK continued to fall.**

Professor Neil Ferguson, whose modelling led to the first lockdown in March 2020, said caution is still needed but offered a hopeful outlook for autumn.

His comments come as health leaders warned the NHS is as stretched now as it was at the height of the pandemic in January, and things will get worse before they get better.

It will be "several more weeks" before the effect of the July 19 unlocking in England is known, said Prof Ferguson, of Imperial College London and a member of the Scientific Advisory Group for Emergencies (Sage). He told BBC Radio Four's

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Today programme: "We need to remain cautious, especially with the potential increase in contact rates again as the weather becomes less fine and schools return."

"We're not completely out of the woods, but the equation has fundamentally changed. The effect of vaccines is hugely reducing the risk of hospitalisations and death."

"And I'm positive that by late September or October time we will be looking back at most of the pandemic."

"We will have COVID with us, we will still have people dying from COVID, but we'll have put the bulk of the pandemic behind us."

NHS Providers, which represents hospital trusts, has written to Prime Minister Boris Johnson, Chancellor

Rishi Sunak, Health Secretary Sajid Javid, Chief Secretary to the Treasury Steve Barclay and NHS England chief executive Sir Simon Stevens to say a combination of pressures were being experienced by the health service.

It called on ministers to make "the right decisions" over the next month as it finalises NHS funding for the second half of the financial year.

### Encouraging

Official figures on Monday showed the number of COVID cases in the UK dropped for the sixth day in a row.

But according to NHS data, there has been a rise in hospital admissions in England.

A total of 5,055 patients were in hospital with COVID-19 in England on Monday.

This is up 33% from the previous week and the highest since March 18, but still well below levels seen in the

second wave of the pandemic. A Number 10 spokesman said the fall in coronavirus cases was "encouraging" but numbers were still expected to rise, adding that "the Prime Minister thinks we're not out of the woods yet".

A total of 218 deaths registered in England and Wales in the week ending July 16 mentioned COVID-19 on the death certificate, according to the Office for National Statistics (ONS), up 19% on the previous week.

It is the highest total since 260 deaths in the week to April 23.

The continuation of US restrictions on international travel has dashed British holidaymakers' hopes of travelling across the Atlantic this summer, with policing minister Kit Malthouse describing the decision by the US Government not to loosen its rules as "disappointing".

# LOUTS 'MADE TO CLEAN STREETS'

CRIMINALS will be made to clean up streets and green spaces to ensure justice is 'seen to be done', the Home Secretary has promised.

Priti Patel (left) pledged to make 'yobs pay back to the communities they've blighted'.

The scheme is part of Boris Johnson's Beating Crime Plan. More burglars will be tagged on release from jail. Unveiling the plan

yesterday, the Prime Minister announced a trial of alcohol monitoring tags, which check whether those guilty of drink-fuelled crime stay off booze.

Officers will also be given more powers to seize knives under a relaxation of restrictions on their stop and search powers.

Miss Patel said: "The public want to see justice done and criminals pay

the price for their crimes.

"That's why we are relaunching unpaid work so it is more visible, to ensure offenders are publicly making reparations for their crimes by undertaking work that is valuable to their local areas, such as cleaning the streets, estates, alleyways and open spaces of litter and other visible signs of disorder in local neighbourhoods."

**DISHY Demi Rose Mawby has whipped up a storm with her nude pics.**

But the 26-year-old busty Brummie is not in trouble for showing too much... she's angered fans by showing TOO LITTLE!

Recently, Demi Rose joined the upscale readers' wives website OnlyFans and lusty lads who had followed her demure postings on Instagram were eagerly looking forward to seeing American-strength, held-open snaps of her juicy minge.

Others were maybe expecting a bit of tip-in dildo stuff, or possibly a light bum-fingering.

But fans have been left cock-fallen because her OnlyFans offerings have been censored.

## **Juicy**

On the photos, which we are unable to reproduce here for legal reasons, tiny rosebuds cover Demi Rose's pink nipples.

And other rosebud emojis can be seen where presumably some juicy pissflap has strayed into the frame.

Commenters on the Fapping website, which is dedicated to

naked ladies, have taken to their keyboards to vent their ire.

One raged: "Why are we looking at censored semi-nude pics? Is this 1950? Just don't post them."

Another stormed: "People are still paying this pointless woman to not show nudity. Clown behaviour."

Another vented: "If I was subscribing for her content I would feel I was being shortchanged. I would expect to see uncensored shots."

A pal of Demi Rose said: "Sorry fellas, but she's not that kind of girl. Demi Rose is known for tasteful nudes."

## Soap fans love sofa sex

A THIRD of *Coronation Street* fans have shagged on the sofa during the ITV soap, researchers have found.

In the *BuzzBingo.com* survey, 47% of TV viewers said their favourite shows had ended up in a romp.

*Love Island's* hot bodies are the biggest turn-on, with 38% of fans saying they had nookie on the couch during the ITV2 dating show.

And a quarter said watching celebs gyrating on BBC's *Strictly Come Dancing* got them hot to trot, too.

The star, who played Rovers Return landlady Bet Lynch (above), said she and her co-star Roy Barraclough (her on-screen husband Alec Gilroy) appeared in a bedroom scene during which he brought out a vibrator as a joke.

And in response, she pressed a button on the novelty pyjamas that she was wearing, which played the 1988 hit *The Only Way is Up* by Yaz.

She said: "We hadn't been in the bed very long. All I could hear was buzzing. It was the vibrator he'd got under the covers."

The 79-year-old added: "The crew, everybody, were all in hysterics. So I pressed my pyjama top. It made the crew worse."

"We were threatened with the sack. I wish we could see it again," she said of the scene which bosses scrapped.

By **GRACE HOOPER**

Because they wore shorts instead of bikini bottoms!

The sport's governing European Handball Federation confirmed a \$1,770 fine (£1,290) – \$177 per player – for the sartorial transgression.

## Sexy

According to the rules set by the International Handball Federation, women are required to wear bikini bottoms when they are competing.

"The Disciplinary Commission at the Beach Handball EURO 2021 has dealt with a case of improper clothing," the governing body said in a statement.

"In the bronze medal

game against Spain, the team of Norway played with shorts that are not according to the Athlete Uniform Regulations defined in the IHF Beach Handball Rules of the Game," it added.

The handball bosses' stand is good news for spectators who have already seen sexy bikini rules watered down in the related sport of volleyball.

For years, gentlemen have enjoyed the ladies beach volleyball mainly thanks to their miniscule, arse-baring cosies.

But the International Volleyball Federation updated its own rules and athletes competing in the sport at the Tokyo Olympics can choose to play in bikinis or one-piece bathing suits or shorts and T-shirts.

Here are just a few photos to show why bikini bottoms **MUST** stay!

## Peter rises again with charity gigs

COMEDIAN Peter Kay delighted his fans yesterday after he said he will return to the stage for the first time in three years.

The *Phoenix Nights* star, 48 (above), will perform a double bill of charity gigs at the O2 Apollo Manchester on August 7, which he has called "two very special live Q&As".

The two shows, for which tickets will go on sale on Friday, are in aid of Laura Nuttall, 21, a terminally-ill brain cancer patient from Lancashire.

It comes 39 months after Kay's last stage appearance which was at a charity screening of his comedy series *Car Share* at the Blackpool Opera House in April 2018.

Peter was last seen on camera in a pre-recorded video for the BBC's *Big Night In* coronavirus fundraiser on April 23 last year which was filmed from his home in Bolton.

He broke the news yesterday on Twitter, along with a link to the Facebook group for Laura's charity.

He was placed on a 24-month probation and ordered to complete 250 hours of unpaid community work.

# WAS HE LOOKING AT HER BRITS?

A BRIT EMBARRASSING: Jamie checks topless pics

THE last thing you want to get caught doing is looking at pictures of your wife's sister TOPLESS!

But Britney Spears' brother-in-law Jamie Watson was caught looking at the singer's Instagram feed as she posted sizzling TOPLESS snaps!

Jamie, who is married to Jamie Lynn Spears, was seen apparently looking at Britney's Instagram page in a photo that appeared on Jamie Lynn's Instagram page.

Multiple fans noticed the detail, which appeared to be in a room at The Ritz Carlton as the couple vacationed with their children in Florida.

The post in the pic was NOT the topless snap that's thrilled Britney fans worldwide but focused on an excerpt of a book page that read, 'Kindness. Do you know what really turns me on? What I find incredibly sexy? Kindness.'

One of Britney's fans wrote in

## Star's brother-in-law caught ogling her Instagram snaps

response that the post was sandwiched between two topless posts Britney put up, tweeting, 'Not Jamie Lynn's husband checking out the boob post in between Britney's titneys, how embarrassing.'

Another fan wrote that 'Jamie Lynn and her husband are obsessed with Britney', adding the hashtag #FreeBritney.

The online snap came as Jamie Lynn, 30, denied Britney paid for her Florida holiday apartment.

Jamie Lynn's plush condominium in Destin, Florida, was purchased through a trust that Britney, 39, has owned since 2000 and had been managed partly by their father Jamie when he took over his daughter's financial affairs as her conservator.

# WAYNE DIDN'T FALL ASLEEP ON ME!

## Rooney threesome vice girl says star was 'buzzing'

HOTEL SEX: Jenny and Rooney (right)

UNLUCKY Wayne Rooney may have been snapped asleep after partying with a trio of dolly birds at the weekend...

But kip was the last thing on his mind when he spent the night having a threesome with hooker Jenny Thompson and her then-pal Helen Wood.

And these are the boobs that kept the England legend up all night!

Yesterday it emerged that Rooney's blackmail complaint over pictures of him fully-clothed asleep in a hotel room with two semi-naked blondes has been taken up by Cheshire Police.

It's understood the force is NOT investigating any of the women in the images and there is NO suggestion the alleged blackmail threat was made by them.

in Manchester, went viral at the weekend.

But the Derby County manager fears he's the victim of a "set up" and is understood to be absolutely clear he did nothing wrong.

Footage was also taken by a fan. He can be seen walking with two blondes, one of whom is believed to be Snapchat model Taylor Ryan, to their hotel after he partied with her and Elise Melvin and Brooke Morgan at the exclusive Chinawhite nightclub.

## Shocked

Wayne is no stranger to nights in hotels with birds who are not his wife.

And although there was no hanky panky with Taylor and her mates, there WAS with one-time vice girl Jenny Thompson.

In a kiss-and-tell that shocked the world in 2010, Jenny confessed

to bedding the footballer with fellow vice girl Helen Wood in Manchester's Lowry Hotel while his wife Coleen was five months pregnant with their son, Kai.

Rooney is said to have paid them £1,000 for their encounter.

Jenny accused him of later sending her "filth" on Skype, inviting her to his family home for sex and said he was "buzzing" after their threesome.

A pal said: "From what Jenny's said about her encounters with Wayne Rooney, he certainly wasn't nodding off. But he's a bit old for partying into the night these days, I suppose."

Meanwhile, Wayne's wife Coleen refused to cut short her family holiday to Wales after the images were circulated online.

Coleen, 35, was seen on the beach in the Llyn Peninsula with their kids as the embarrassing photographs went viral.

Coleen is said to be fully behind her husband and thinks he has been the victim of a stitch-up.

## 'Hitler' statue removed from father's grave

A GERMAN man was forced to remove a commemorative statue of his late father after critics complained the monument was a dead ringer for Adolf Hitler.

The row broke out in Weil im Schönbuch in Baden-Württemberg after a man named Oliver, whose last name was withheld, erected the wooden sculpture (*above*) on the grave of his dad, Edwald B, a carpenter who died in 2013.

The controversial doppelgänger bore führer-evoking facial hair and a football shirt engraved with the number 88, which is code for "Heil Hitler" in the neo-Nazi movement, as "H" is the eighth letter of the alphabet.

Concerned locals complained about the Nazi facsimile to the mayor, who promptly had it taken down.

However, the man's lawyer explained in court the jersey was an homage to Edward E's 30-year stint as a cashier of a soccer club, while the "88" was the "number of the house where the father lived."

## 'Racist' island to be renamed

A TOWN in Australia is being renamed after concerns it may sound a little racist.

Coon Island, located north of Sydney, had been living on borrowed time since earlier this year after a local councillor said the name was "genuinely racist".

Councillors at Lake Macquarie City Council voted 8-5 to rename it.

Rather than having a single name, the area will now have two, with both an Indigenous and non-Indigenous name.

The council submitted a proposal to the Geographical Names Board that the island should be renamed Pirrita Island and the adjacent Coon Island Point to be called Miners Point.

A leading Indigenous campaigner said "common sense had prevailed".

But a council survey found a small majority of locals wanted to keep the Coon Island name.

**A PROWLING** pervert who broke into a woman's house had a stash of more than 400 pairs of spunk-stained women's panties in his home, cops say.

Warped John Uda, 27, busted into the victim's house and targeted the woman, who put up a fight, Dothan Police Lt. Scott Owens said.

Investigators determined Uda tried to sexually assault the victim, but she fought him off.

The woman suffered minor injuries in the attack in Dothan, Alabama.

A day after the break-in, cops executing a search warrant at Uda's house found over 400 panties and bras.

## Inserted

Many were "heavily stained with semen".

Uda allegedly also stole a game console from the woman's home in a separate burglary.

Police scientists are probing suspicions that the console controller has been "inserted into the suspect's anus".

Police said in 2019 the suspect was accused of stealing underwear from the community laundry room at his apartment complex.

Uda was charged with 50 counts of voyeurism, burglary, aggravated criminal surveillance and attempted sexual assault. He is being held in jail.

The man was stripped off to the waist and wading out about 20 feet from the river bank, going in the direction of Worcester Cathedral.

"He didn't seem in any trouble. I saw him chatting with the police officers quite merrily."

**AS you know, here at *Midweek Sport*, we've got our finger on the fashion pulse.**

And this season, it seems, birds will mostly be wearing pleated tennis skirts.

Wimbledon may be over, but tennis skirts are here to stay as a summer wardrobe staple.

Celebrities including Dua Lipa, Bella Hadid and Kendall Jenner, as well as a host of TikTok influencers, have all been seen sporting pleated tennis skirts paired with preppy sweatshirts and polo shirts for some chic off-court style.

And, like lemmings, more mortals are following the trend slavishly.

Amazon is serving the latest fad with the Hoerev Pleated Tennis Skirt, which costs as little as £12.99.

More than 13,000 happy customers have left a praise-filled five-star review on Amazon, so you know it's a solid choice.

Several shoppers noted the fit and quality of the material, with one wearer claiming the skirt is their "best Amazon buy".

And experts say that a pleated skirt paired with crisp, white panties is one of the sexiest looks known to mankind.

A DRUNK urinated and shat on the floor of a railway station after being informed the facilities were closed.

John Hatton, of Portadown, Co Armagh, appeared at Craigavon Magistrates' Court for sentencing on two counts of assault on police, disorderly behaviour, criminal damage and indecent behaviour.

Prosecution outlined that police received a report of a male who had urinated and defecated at Portadown Station (above).

Upon arrival, officers located Hatton, who appeared intoxicated with wet jeans.

Staff said he had come into the station to use the toilet but when told it was closed he dropped his trousers before urinating and defecating on the floor.

When approached by officers, Hatton began shouting and swearing.

He then grabbed at police bodycams and kicked out at one officer before spitting at them.

Hatton was sentenced to four months in prison, suspended for two years.

"She is not a fit and proper person to be in possession of an animal," the prosecution said.

Defence solicitor Peter Haarsma said the dog suffered no physical harm and appeared to be well cared for after being handed yet reports.

He also claimed Kemmis had been "dragged through the mud backwards" following public shaming and losing her full-time job as a manager of a gaming arcade.

"There has been serious effects on her personally and financially," he said, adding that Kemmis is currently unemployed and suffers from an array of mental health issues.

Kemmis pleaded guilty to breach of duty of care by inappropriate handling.

She was fined £250 but will be allowed to keep her dog.

## LISTEN IN CLASS... OR I'LL SHOOT YOU!

**AN exasperated supply teacher was busted for allegedly threatening to SHOOT a class of pupils if they didn't listen to him.**

Alejandro Rocha, 52, was teaching a group of nine kids, aged 11 and 12, at IS 5-The Walter Crowley Intermediate School in Elmhurst, in Queens, New York, when he made the disturbing remark, sources said.

"If you don't do what you're told, I'm

going to shoot you. And yes, I have a gun," Rocha allegedly snarled.

Rocha later 'fessed up' to a supervisor and apologised, claiming it was all a bad joke.

He was arrested and charged with making a terroristic threat, police said.

"He was suspended and if this deeply disturbing allegation is found to be true, he will be fired," a Department of Education spokesperson said.

## COVID man posed as wife to get on flight

**A MAN with COVID-19 disguised himself as his virus-free wife to board a commercial flight.**

The traveller, identified only as "DW", wore a Muslim veil covering his face as he flashed his wife's ID card to slip on the flight from Jakarta to Ternate in Indonesia.

The cross-dressing flyer allegedly also showed officials his spouse's negative test results.

But a flight attendant saw him enter a toilet wearing the veil, then leave in men's clothing.

An officer on the plane tested the man for COVID and put him in personal protective gear after the test came back positive.

## NAKED HOMELESS PERV PULLED PUD ON BEACH

**A NAKED homeless man was seen furiously masturbating while smoking a cigarette on a busy beach... and no cops came to nick him.**

Locals in Los Angeles say the incident, in the city's Venice Beach district, shows their city has become a lawless hellhole swamped with drug-crazed tramps and rampaging lunatics.

In a video of the incident, it initially seems the fully-exposed man is urinating.

However, he remains standing for a period of time with his pants dropped around his ankles. It's clear he is masturbating as he watches sun-worshippers.

Eventually, two men confront the pervert and drive him away.

The shocking incident comes amid a growing homelessness crisis in the popular LA beach town that has led many outraged residents to consider moving out.

## Church volunteer hid secret camera in chapel's toilet

A CHURCH youth director has been arrested three times in two months, including on charges he hid a camera in a toilet at the house of worship.

David Nims, 38, a volunteer director of youth ministries at Calvary Baptist Church in Pensacola, Florida, was busted on eight new counts of video voyeurism after investigators found more footage of people using the restroom there.

Nims (above) was first arrested on June 7 on a video voyeurism charge after a 14-year-old boy found a camera beneath a sink in the youth hallway of the church.

Nims was arrested a second time on June 11 after a search at his home revealed more than 100 illegal images.

The memory cards contained video footage that included three juveniles using the toilet at the church.

## SHOCKING CASE

TWO tramps who found a discarded suitcase on the street were shocked to find it contained the rotting remains of a dismembered body in El Paso, Texas.

## TITS. Fanny. Arse. Hairy dicks and ballbags.

No, Father Jack is not having a funny turn. That's what was being daubed with paint in New York at the weekend.

A group of 26 artists and 45 models celebrated the eighth annual NYC Bodypainting Day, using the human body as their canvas to promote messages like body positivity.

"The idea of the event is to promote free expression and acceptance of all people, their ideas as artists and also their bodies," said artist Andy Golub, the event's main organiser.

It was also a way to celebrate New York City emerging from the deadly COVID pandemic after more than a year of restrictions that forced the city that never sleeps to grind to almost a complete halt.

"I think it's important to show that New York City is getting better and this is a time of resilience," said Rocket Osborne, a New York City-based architect.

By **SUZIE SHELDON**

Models stood under tents set up in the bustling square as artists painted on them.

Others posed on stages to showcase the completed art work as passersby stopped to snap a photo or a video.

"I think it's beautiful, the fact that people can actually get out and be as we are supposed to be," said Queens resident and sculptor Gregory Valentine.

**IT'S THE LATEST FASHION CRAZE...****BABES GO BANANAS FOR YELLOW!****MIDWEEK Sport 5-PAGE SPECIAL****AFTER more than a year of pandemic gloom, we need brightening up.**

And now it's looking decidedly sunny.

Celebs are going bananas for yellow fashion. From neon to daffodil, lemon to buttermilk, there is a glowing array of shades to choose from.

Colour psychologist Angela Wright said: "Yellow, if worn in the right way, is about optimism and new beginnings. It's a psychologically stimulating

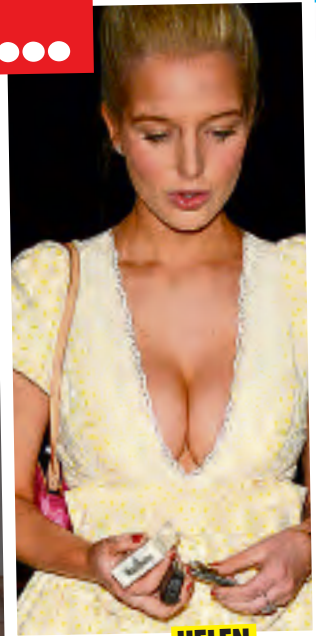

colour which lifts our mood.

"You can tell what's going on in society by the colours that come storming into fashion, and this is one of those times.

"Last year many of us dressed in grey. It's what we choose when we're not confident.

"Now life is opening up. The weather's good, we've decided we're not going to be miserable any more. That's what yellow is all about."

Even better for our spirits is where ladies wear yellow AND have their tits hanging out! So this lot will put a smile on your face!

# Pol Pot... creator of the Killing Fields

**THE WORLD'S  
DEADLIEST  
DICTATORS**

**DURING his early time living in the remote jungles of north-east Cambodia, Pol Pot had been influenced by the surrounding hill tribes.**

They were totally self-sufficient in their communal living, had no use for money and were "untainted" by Buddhism.

When he rose to power, he and his henchmen quickly set about transforming Cambodia, now re-named Kampuchea, into what they hoped would be a communal farming utopia.

Declaring that the nation would start again at "Year Zero", Pol Pot isolated his people from the rest of the world.

By **KOURTNEY KENNEDY**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

machetes, hammers or bamboo poles.

The dead bodies were then tossed into mass graves.

On occasion, the Khmer Rouge would take children's heads from their lifeless corpses and smash them into a tree in front of their mothers.

Anyone thought to be an intellectual of any sort was killed. People were condemned for wearing glasses or for knowing how to speak a foreign language.

Ethnic Vietnamese and Cham Muslims in Cambodia were also targeted.

Hundreds of thousands of the educated middle classes were tortured and executed in special centres.

The most notorious was Tuol Sleng, a converted former secondary school in Phnom Penh which became known as Security Prison 21.

There, as many as 17,000 men, women and children were held during the regime's four bloodthirsty years in power.

Of the 17,000 inmates there were only seven survivors.

One of them, Chum Me, said: "I survived, but I can't say I was lucky. My wife and children are dead and the torture I endured

**IN the four years that Pol Pot and his brutal Khmer Rouge soldiers ruled Cambodia, one of the worst mass killings of the 20th Century took place.**

**The vicious regime, in power from 1975-1979, claimed the lives of up to two million of its own people.**

**Under mad Marxist Pol Pot, the Khmer Rouge tried to take Cambodia back to the Middle Ages, forcing millions from the cities to work on communal farms.**

**But the dramatic attempt at social engineering had a terrible cost.**

**Whole families died from starvation, disease, overwork, execution and torture.**

**The Khmer Rouge had its origins in the 1960s, as the armed wing of the Communist Party of Kampuchea, the name the Communists used for Cambodia.**

**In a five-year civil war, it gradually increased its control in the countryside.**

**Khmer Rouge forces finally took over the capital, Phnom Penh, and therefore the nation as a whole, in 1975.**

**TERRIBLE TIMES:** Scenes from *The Killing Fields*, which won 7 Oscars including Best Movie and revealed to the world the horrors Cambodia had endured

was horrible. At that time, it would have been better to die than to survive."

Hundreds of thousands of others died from disease or starvation as members of the Khmer Rouge, who were often just teenagers, forced people into back-breaking work.

## Clashes

The regime was finally overthrown in 1979 by invading Vietnamese troops, after a series of violent border clashes.

In the years that

followed, as Cambodia began the process of slowly reopening to the international community, the full horrors of the regime became apparent.

Survivors told their horrific stories to shocked audiences, and in the 1980s the Hollywood movie *The Killing Fields* brought the plight of the victims to worldwide attention.

Pol Pot was denounced by his former comrades in a show trial in July 1997, and sentenced to house arrest in his jungle home.

But less than a year

# WHO BROUGHT MISERY TO MILLIONS

**"BETTER to kill an innocent by mistake than spare an enemy by mistake" – Pol Pot.**

The evil dictator was born on May 19, 1925, and rose to become leader of the now notorious Khmer Rouge, which translates as "red (as in communist) Cambodia".

He came to power after the U.S. evacuated their troops in the country after a civil war.

In 1979, Pol Pot was removed as leader of Cambodia, for the most part ending his reign of terror.

He went into hiding in the jungle, and it was there that he placed land mines everywhere.

Many Cambodians were injured and killed by those hidden dangers, many of which still exist today.

On April 15, 1998, Pol Pot died at his heavily guarded jungle home, having never been charged for any of his monstrous crimes.

later he died aged 72, denying the millions who were affected by this brutal regime the chance to bring him to justice.

## Notorious

The United Nations helped to establish a tribunal to try surviving Khmer Rouge leaders, beginning work in 2009.

But only three of the cruel henchmen have ever been sentenced.

Kaing Guek Eav, known as Duch, was jailed for life in 2012 for running the notorious

Tuol Sleng prison. In August 2014, Nuon Chea, considered to be Brother Number 2 to Pol Pot, and the regime's head of state Khieu Samphan were jailed for life for crimes against humanity.

In November 2018, the tribunal also found them guilty of genocide over the attempted extermination of the Cham and Vietnamese minorities.

It remains the first and only genocide conviction against the Khmer Rouge.

# CHOPPED-UP GIRL IS FOUND CLOSE TO JOE'S HOLIDAY HOME

**HORROR FIND:** Missing person Joanna Amaya

**CAMP DAVID:** Country retreat for Biden (right)

**A WOMAN'S dismembered body parts were found just a mile from US President Joe Biden's holiday home at Camp David.**

The foot of 21-year-old missing woman Joanna Amaya was found by hikers in Catoctin Mountain Park in Thurmont, Maryland.

When the FBI arrived, they found her body nearby, but her other foot and a hand were missing.

Through an investigation and collaboration with the Baltimore Medical Examiner's Office, the remains were determined to belong to Joanna, who was also known as Dior Reyes, of Gaithersburg, Maryland.

shoes and had a Puma handbag and a set of keys containing an El Salvador keychain.

Joy Jiras, of the FBI's Baltimore field office, said: "At this point, we're trying to figure out what happened to her."

"We're still looking at all options, whether it's foul play, if there's somebody else involved, whether she was hiking and got lost."

Experts say Joanna's hands and feet may have been chewed off by bears, mountain lions, wolverines or giant bats that live in the area.

## Confused

The spot where the body parts were found is next to the perimeter of Camp David, the country retreat of US presidents that has hosted many high level meetings.

It's not thought the increasingly bewildered President Biden carved up Joanna while in a confused state.

Officials say Joanna was found wearing a black tracksuit, wrist guard and red Nike

## WHAT'S ANNOYING HIM THIS WEEK?

# Olympics? I'd rather have two weeks of ladies' naked Twister!

**GOLDEN GIRLS?**  
Maybe, but we know what we're really looking at

**I CAN'T be the only one who doesn't give a toss about the Olympics.**

Even the very notion of getting up at daft o'clock to watch some twat we've never heard of win a trinket for coming third in tiddlywinks is madness.

Who cares? Really?

Yes, we woke up to a few golds on Monday and I'm sure there were packed bath houses across the planet cheering on Tom Daley, Matty Lee and Adam Peaty in their trunks.

But the wall-to-wall coverage of the bits of the Games the BBC is being allowed to broadcast is insanely dull.

And the faux enthusiasm from the presenters not yelling from inside a packed Tokyo stadium but from a windowless studio in Salford is compelling only because of its dreary dullness.

The organisers know all this, too.

### Sexist

Which is why they had the brass necks to fine the Norwegian women's volleyball team for daring to ditch their tiny, fanny-skimming bikini bottoms for shorts instead.

It was, the team said, sexist to force them to dress up as wank fodder for wide-awake-at-4am gentlemen of leisure.

And it's pretty hard to disagree with that.

It really is sexist. But then again, would anyone watch the bloody thing otherwise?

I'm not entirely sure that the itty bitsy outfits that adorn most of the female athletes are designed entirely around the science that supposedly lies behind them.

Be honest, when the lady hurdlers start to leap, what are you looking at?

When the female high jumpers and long

jumpers flop over the bar or slide into the sand, where are your eyes fixed?

And aside from that two weeks' training in school about three or so decades ago, when did you ever really give a flying f\*\*k about volleyball?

The world is dying on its collective arse and all the usual woke wankers can get in a tizz about it whether or not supremely lithe and fit women should wear skimpy togs or not.

And let's put this another way, too.

When the lucky few are considered for squillions of sponsorship by global corporations behind fizzy drinks and fancy cars, is it because they're a dab hand with a pole vault?

Or is it because, given half a chance, every single male executive in the boardroom would be all over them like seagulls attacking your seaside chips?

Super Sunday, Mad Monday, Tonsils Tuesday. They can try to stir up fake excitement all they like, but it's just not working for me.

When the tournament was reinvigorated by the Greeks back in ancient times, the contestants were, for reasons known only to crafty Athenians, largely competing while completely naked.

So ditch the dancing horses thing. Scrap the archery. Wave farewell to shooting plates of clay or going for a run or a swim.

Try two weeks of all-girl naked Twister instead.

And THEN you've got yourself something worth watching.

## Bible-basher started fire that killed brother

A RELIGIOUS nut started a fire that killed his brother and badly burned his mother because the pair did not follow the Bible's teaching.

Philip Mills, 40, has been charged with capital murder and arson over the blaze that left 54-year-old Paul Mills dead in the family's home in El Paso, Texas.

Police said the suspect (above) copped to the crime and said he poured petrol onto a living room couch to ignite the deadly inferno, according to an arrest affidavit.

Philip then waited outside "with large rocks in his hands" in case his relatives made it out alive, according to the affidavit.

His 82-year-old mother, Annette Mills, managed to walk out of the blazing home and was rescued by first responders.

She is in hospital in critical condition.

"The defendant laughed and advised investigators he was shocked that both his mother and brother did not perish and called it a 'failed attempt'," the affidavit said.

## Oops! Show-off gunman in bar shoots himself

A MAN showing off his new gun in a bar ended up shooting himself.

The unidentified knucklehead was inside O'Reilly's Uptown Tavern in Pensacola, Florida, when he pulled out the gun to show it to a man and a woman at the bar. He made a quick motion to put the gun into an imaginary holster under his shoulder when the gun went off and a bullet struck his torso.

The wounded man left the bar and checked himself into a local hospital before cops got to the scene.

Police said they are still trying to determine if charges would be filed.

The wounded man's condition was not immediately known.

# PERV LANDLORD SNIFFS TENANT'S UNDIES

A PERVY landlord allegedly sneaked into his female tenant's apartment to sniff her underwear.

But the disturbing act was caught on hidden cameras, police said.

Jorge Orellana-Arias was charged with third-degree burglary after the woman told cops she had video of him inside her unoccupied apartment several times rifling through her clothing.

The woman first suspected

something was wrong in May and started "barricading adjoining doors" in an effort to thwart the suspected intruder.

But Orellana-Arias (right), of East Haven, Connecticut, then used another door to get inside the property, police said.

The woman set up hidden cameras inside the apartment and the footage showed Orellana-Arias going through her clothing, investigators said.

"She stated that the camera caught Orellana-Arias entering

her apartment through a side door, before proceeding to bedrooms where he would locate female underwear," police said in a statement.

"The video, which was provided to officers, shows Orellana-Arias bringing female garments to his nose, apparently in an effort to sniff them."

The allegedly lecherous landlord was arrested before posting bail.

He is scheduled to appear in court on September 14.

# CAROL'S CLEAVAGE SENDS SEX TROLLS INTO A FRENZY...

# I WANT TO SUCKLE THOSE TEATS!

**RED HOT!**  
Carol's cossie cracker drew filthy comments

**DISHY brainbox Carol Vorderman put on a VERY busty display in snaps shared at the weekend.**

The former *Countdown* star sizzled in a very low cut keyhole red swimsuit as she relaxed in the sun on her veranda, showing off her natural beauty and big old tits as she went make-up free.

The TV personality, 60, casually posed as she took a selfie during her stay on the Welsh coast, leaving

little to the imagination with her costume's plunging neckline.

She captioned it: "I like chillin Welsh style. Long early walk... sitting on a rock chillin on a remote beach... then home listening to a bit of Pavarotti and @realsirtomjones chillin on the big sunbed. Yep this is lovely."

## Fish

The star, who has fallen in love with paddleboarding while away, told her followers: "Every day is another adventure...this time we're off to catch some fish on a kayak."

But, alas, when the pictures were shared on the website of the hate-filled Daily Mail, they attracted a shoal of bottom-feeding SEX TROLLS.

One commentator,

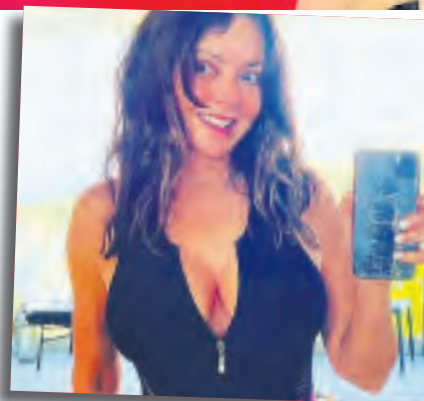

By **GRACE HOOPER**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

whose first language is clearly not English, frothed: "I latch on and suckle on those teats of Carols."

Two more commented that Carol must be a "goer", several alluded to "wanting a go" on the Cambridge graduate, while yet another called for a tissue.

The suggestion in that last comment is that the photographs of Carol's cleavage had caused the gentleman concerned to spontaneously ejaculate SPUNK in his pants.

Last night, a source close to Carol Vorderman said: "The last thing Carol wants to imagine is being repeatedly showered by the hot,, sticky love piss of complete strangers."

# THE WORLD FAMOUS AGONY

Dear Sam,

I'VE put on a bit of weight since my wife left me last Christmas, so I decided to go to a boxercise class at the gym twice a week.

I was a bit surprised to find a beautiful blonde with a figure to die for taking the class and I was even more surprised when she started coming on to me.

Soon I was staying behind after each session so we could have sex in the gym's ring.

We'd start with a sparring session before we'd end up grappling on the canvas and ripping each other's clothes off.

She would then suck me to within seconds of completion before spreading her legs on the canvas and thrusting my throbbing cock into her soaking wet pussy.

Problem is, she now wants me to take her up the ringpiece and I'm not keen on the idea. What should I do?

DG, Sussex

Sam says...

GIVE it a try, you might just like it it.

Dear Sam,

MY bird's got a dog that is very protective towards her. The other night she gave me a cracking blowjob (my bird, not the dog).

First she stripped off and teased my throbbing knob with her tongue and tits before then deepthroating me.

I returned the favour and licked out her wet pussy. She was so turned on that she was screaming at me to f\*\*k her good and hard.

I was starting to give her a good seeing-to from behind when I felt this unbelievable pain in my arse.

The dog had sunk its teeth into me and was tucking into my bum like a bowl of pet food, leaving my cheeks in a bloody mess.

I don't want to tell her to choose between the dog or me, because I think she'd go for the dog.

But the bloody animal obviously hates me. What should I do?

HF, Lancs

Sam says...

GIVE the dog a bone to chew on while you bone your bird.

## Wife got turned on by bit of monkey business

Dear Sam,

I WENT to the zoo at the weekend with my missus. It was years since we'd been and we had a really great time among all the wildlife.

The best bit was after we'd gone to an enclosure to have a look at the chimpanzees.

We saw one pair getting really frisky and we watched gobsmacked as the male humped his mate.

It was such a good performance that my missus, obviously turned on, dragged me away to a little wooden pavilion.

Once inside, she pulled down my keks, lifted her skirt and presented her arse for rear entry.

Her minge was soaking in anticipation and I plugged her good and proper - monkey-style.

Now she's on about getting a pet chimp.

What do you think?

VK, north Wales

Sam says...

CARING for a chimp takes devotion. Stick a wildlife DVD in and hope that does the trick.

# Party at country estate led to posh double nosh

**Dear Sam,**

**I'VE had a long-standing fantasy about having my prick sucked by two women at the sametime.**

And the other night, fate took a hand and it actually happened.

I was at a boring party on a huge country estate. The guests were all rather posh and talked endlessly about politics and money.

I made an excuse about needing the loo and left the room, but then I got sort of lost as I wandered about the massive mansion house.

Eventually I pushed open a door, which turned out to be a bedroom, and there on the king-sized four-poster bed were two good-looking naked women laying top-to-toe licking each other out.

## **Bouncy**

I recognised them as two girls who had been at the party who, like me, had probably sneaked off to get away from the boring small talk.

I was about to turn and leave them to it, thinking they were out-and-out lesbians, when one of them called me back into the room.

She was slim and dark-haired, with lovely bouncy boobs.

The other was blonde, with smaller boobs but lovely long legs.

Both of them had trimmed their pussy hair right down and looked very inviting as they lay on top of the silky covers.

I was surprised and delighted when it looked very much like they

were bisexual after all, not lesbian, as they suggested I join them.

They were sex-mad and, going by the scent of love-juice in the room, they'd had lots of orgasms already.

After I'd rapidly stripped off, they pushed me flat on my back saying they'd had enough sucking pussy and wanted some cock.

With that I felt two tongues flicking up and down my rod.

They were good at it too and I quickly had the hardest erection of my life.

The brunette licked her way slowly along my shaft, while the blonde kept teasing the tip with her hot tongue.

I was soon coated in the girls' saliva and throbbed on the brink of shooting my load as they teased and licked and nibbled away at my knob.

And when I finally did release my man milk, there was **MASSSES** of it.

My hot spunk spurted on the blonde's tongue and then across the face of her

pal, leaving a trail dribbling down her chin.

Then came the part I'll never forget. The blonde looked at the blobs of spunk on the brunette's face and licked up every last drop.

The look of pleasure on their faces caused me to get yet another stonker and I shagged them both senseless for what seemed like hours.

When I finally gave in to sheer exhaustion, the two horny babes treated me to some red-hot girl-on-girl action that ended with them both enjoying yet another screaming orgasm.

What a night. Now I can't wait to meet up with this horny pair at the next party there!

**PHEW!** Babes talk with forked tongues, eh?

# Shit finish to beer festival loo romp

**Dear Sam,**

I WENT to a beer festival with a few mates and was pleased to find that it wasn't full of bearded, sandal and sock-wearing real ale bores.

In fact, being a university town, it was rammed full of girl students.

They were in the shortest of shorts in the hot weather and knocking back the booze like good 'uns.

I quickly decided not to get too pissed as it looked like an opportunity too good to miss.

My mates and I got chatting with one particularly fit looking group and I pulled a busty blonde who was a bit tipsy.

She was obviously up for a bit of fun, so we sneaked off into one of the on-site portable toilets and I soon had her keks off and was licking her out.

## **Pounding**

After a while she repaid the favour and gave my rock-hard cock a good sucking.

Then I plunged in with my knob, pounding her hard and fast as she screamed out in pleasure.

We were really going for it when the bog contraption tipped over, sending us crashing arse over tit and trapped inside.

The poor girl was mortified and, after we had been rescued, wouldn't give me her number before she fled. I'd love to see her again.

**Sam says...**

I RECKON any hope of a relationship is ALE over already.

**Dear Sam,**

I NEED help and I'm hoping you're just the person who can help me solve my worrying problem and bring me everything I've always wanted in life.

You see, my ideal type of man is in his mid-40s with neat dark hair and a kind face, is charming and witty and, most important of all, has barrel-loads of money.

The trouble is, I can't seem to find a bloke like that, no matter how hard I try!

All I seem to end up with are blokes who want to get my knickers down and give me a quick one in the back of a car, in the pub toilets or else in the doorway of the block of flats where I live.

Have you any ideas where I could meet the ideal man – a man with a good, thick prick, who can last and last for hours on end.

A man who, when he cums, shoots out for ever and ever.

A man who knows how to really lick pussy until I am sobbing and crying with the passion and having the best orgasms of my life?

Please, do you know where I can find a man like that?

*TN, east London*

**Sam says...**

YOU must be joking. And even if I did, I'd keep him to myself!

# #MY SEX FANTASY

**...WITH JENNY McCLAIN 36F-26-36 FROM HOVE, E SUSSEX**

**THE fantasy I think about the most lately is having sex with a bloke and a woman at the same time.**

I'm primarily straight but I also fancy women now and again, so a hot threesome is literally the best of both worlds.

I think about being the centre of attention and them both either side of me kissing and caressing me.

Things heat up and they're both snogging me, licking my boobs and gently rubbing my clit.

**Squeeze**

The girl gets her huge breasts out and they're right in front of me and I give them a squeeze.

In my fantasy the woman sits on my face while the dude penetrates me, then she goes down on me while he bangs her from behind.

We all get more and more frenzied and each have a massive orgasm!

"There are so many positions with three people. It'd be so hot. I must do this soon!"

## #HOT'N'HORNY

**C**URVY Cassidy Banks loves the sunshine but she's glad of the relief from last week's heatwave.

The 38DD beauty from Leeds, said: "It was great going out in tiny tops and getting lots of admiring glances from blokes but all that heat can get a bit much, can't it?"

**Tip**

"By the time I got home I was sweltering and exhausted and ended up sitting down in front of daytime TV with a fan blowing on my bare boobs."

"Naturally, that's when the window cleaner decided to climb his ladder! He saw the lot!"

She added: "It put a right smile on his face. I joked to him 'You won't be needing a Christmas tip now!'"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

# SHOW ME THE HONEY!

**WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!**

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## ADRIANA

SALES manager David Barnes reckons his gift of the gab could work wonders on Czech babe Adriana.

The 47-year-old, from Newcastle, asked for a sexy snap of Adriana with her 32C boobs on show.

He said: "I sell cars all day, everyday, and I've got the chat to sell an igloo to an Eskimo."

"So I'd hope if I ever met Adriana I'd chat her into bed."

"Until then though, I'm more than happy with a saucy snapshot – she's a real fitty!"

## ALEXANDRA SIM-WISE

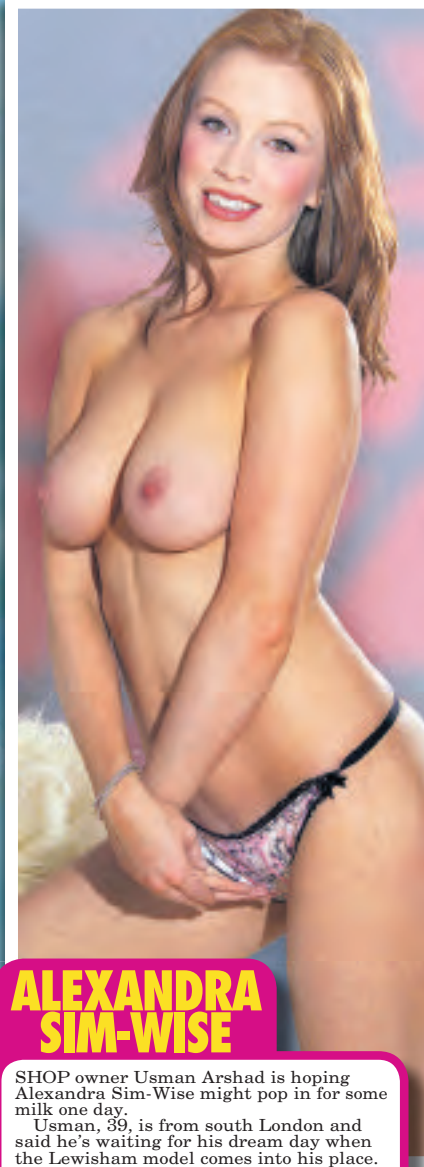

SHOP owner Usman Arshad is hoping Alexandra Sim-Wise might pop in for some milk one day.

Usman, 39, is from south London and said he's waiting for his dream day when the Lewisham model comes into his place.

He said: "I work in a local shop and I know glamour girl Alexandra is from around here."

"I love to flick through the *Sport* when I'm opening up in the morning."

"One day, she might pop in but I'm not sure what I'd do – probably just stare at her 34DD boobs and try to pick my jaw off the floor!"

## LEILANI

RETIRED chippy owner Neil Fitzpatrick has his eyes on glamour veteran Leilani.

Neil, 63, from Blackpool, sold his chip shop three years ago and said ogling the babes in the *Midweek Sport* makes his days brighter.

However, his favourite is Leilani, from Bournemouth – thanks to her pert 34D boobs.

He said: "I do get bored now I've packed work in but I look forward to reading the *Sport* three times a week."

"Can I see a topless picture of Leilani in the meantime? She's been brightening up my day for the past 20 years. Cheers!"

## #HOT'N'HORNY

**H**OTTIE Tommie Jo has a kinky way to get fit...more BUM FUN. The glamour babe, who boasts 32G boobs, confessed she's a massive fan of anal play.

Tommie Jo, from Romford, Essex, also revealed her fella let her stick a finger up *his* chocolate starfish.

#### Finger

She told us: "I have always been quite good at getting him to try some new things."

"He was really reluctant to do that. Blokes are funny about having their arses toyed with, I think they reckon it will hurt or something."

"But of course, when they want to

do something to *your* bum, it's like 'Nah baby, don't worry, this won't hurt a bit'."

"Luckily, my man doesn't have that problem with me though as I love a finger up *MY* arse during sex!"

"Actually, I'm partial to quite a lot more than a finger up there, so long as it's been well lubricated."

"I really do like to try out loads of different things in the bedroom!"

STARTING: Vunipola

Mako: I didn't put Kobe on his backo

## RUGBY UNION

MAKO Vunipola rejects Rassie Erasmus's claim that he was "reckless" and "dangerous" during the first Lions Test.

The South African coach has been bleating on Twitter after the Lions won the opening match of the series 22-17.

He says Vunipola should not have tried to help up Springbok Cheslin Kobe off the floor after he had been tackled by Ali Price.

Erasmus bleated, sorry Tweeted: "Cheslin is obviously played in the air and clearly not direct into touch."

"More importantly for youngsters watching this clip, please never move or touch an injured player on the ground — it's reckless and dangerous."

Vunipola says that's a load of cobblers and he doesn't understand what the South Africa coach is going on about.

The Lions prop said: "Maybe this is the first time a coach has said something like that on social media."

## Tempo

"I remember trying to get the ball in but I saw that he'd gone down. I guess if he was really hurt then it was a bit reckless, but I felt like the collision wasn't that bad."

"I saw that people were putting it up on Twitter and mentioning it. We were behind at the time and wanted to get some tempo in the game, so I wanted to get the ball off him."

"If I did hurt him, I do apologise but in the heat of the moment, you just react as you would naturally."

Erasmus has come in for stick after acting as a water carrier for the Springboks so he could get on the field during the match.

Despite that, he had been moaning about some of the referee's calls from the opening Test match.

Now he has changed his tune a little

He said: "This is rugby — sometimes calls go for you and other times they don't."

"No excuses this side. You are far away from home, families and going through same tough Covid protocols like we do. Congrats and well deserved."

## Dutch defender ready for Reds comeback after 10 months out

**VIRGIL Van Dijk is set to end almost ten months on the sidelines tomorrow.**

The Dutch defender is line to face Hertha Berlin as Liverpool step up their pre-season preparations.

Van Dijk has been out since Everton keeper Jordan Pickford's "robust" challenge on him in October's Merseyside Derby.

Liverpool's season fell apart without him at the heart of defence, especially when partners Joe Gomez and Joel Matip also went down with long-term problems.

At times, the Reds were playing their fifth choice Nat Phillips and sixth pick Rhys Williams as a centre-back pairing.

But Van Dijk has worked his way back to be fit enough to play some

part against Hertha Berlin at Liverpool's Austrian training camp tomorrow.

Boss Jurgen Klopp said: "I hope that there is the opportunity that Virgil could play a few minutes."

"He looks really good in training and maybe we can bring him in, but I need to have some final conversations. He looks ready and we will see."

"If you see the games now as part of their rehab training, that makes sense."

Gomez has been out almost as long after being injured on England duty in November.

He is also close to pulling on a red shirt again in time for the new campaign. Klopp added: "Joey is

very close. There is no race between the two of them — they had different injuries and stuff like this, but he is very close."

"If Virgil can play now 20 then probably Joey can in the game after. We will see. In training they both look really good."

Klopp is adamant that he won't rush either player back and risk them breaking down again so close to the big kick-off.

Over the summer, Liverpool have added Ibrahima Konate to their defensive ranks and Matip is further along in his fitness race.

Many pundits think those two will play in the opening Premier League fixture against Norwich on August 14. Klopp said: "I think from time to time there are some pictures of them from training sessions and everyone

can see how good it looks, but there is no rush for us."

"It is not about they now need five pre-season games to be ready for the start or whatever."

"It is a long season and we prepare them after these very, very serious injuries for the rest of their careers and not for the first game of the season."

## Fringe

Klopp's side rallied late last season to finish in what looked an unlikely third place.

Konate is the only new arrival so far this transfer window while the club has raised cash by offloading some of their fringe players.

Marko Grujic has been sold to Porto for £10.5m, Taiwo Awoniyi was offloaded to Union Berlin in a

**LAST MATCH:** Van Dijk hasn't played since limping out of the Derby at Goodison in October

£6.75m deal and Harry Wilson has headed to Fulham for £12.6m. Those three are not likely to be the only departures.

Nat Phillips is on the radar of Norwich and Brighton and would be allowed to leave for around £12m.

Welsh international right-back Neco Williams could be made available for a similar fee.

But he wants to stay and fight for his place at Anfield, despite Trent Alexander-Arnold being ahead of him in the pecking order.

Gomez can also play right-back and it would make sense for the Reds to move him on.

Yet Williams is determined to make his mark. He said: "I'm feeling good, I'm feeling fit. I got a nice little break off after the Euros but on my break I was working hard and

staying fit. I'm just looking forward to what's to come now.

"Every season you play it only gets bigger and bigger. Last season was good for me, I'm getting the minutes in and getting the game time.

"Hopefully this season I can play a bit more, keep working hard and keep pushing Trent and Robbo, and hopefully get some game time."

## Move

Xherdan Shaqiri also looks set for a fresh start with Napoli and Lazio having made contact over a £12m move. Should the Reds move on that trio, their income over the summer would edge towards the £75m mark that could fund a move for Italy winger Federico Chiesa of Juventus.

The Italians have put an £80m price tag on the 23-year-old.

## Chelsea desperate to land superstar striker

**CHELSEA are upping their offer for Erling Haaland to £150m.**

And they will TREBLE the Borussia Dortmund striker's wages to a huge £300,000 per week.

Chelsea are thought to have made an opening offer of £100m that the Germans have rejected.

They are also willing to

By JOHN ANTHONY

throw in players to sweeten the deal. Callum Hudson-Odoi and Tammy Abraham are names being talked of on that score.

The Bundesliga side don't want to sell their main man having already offloaded Jadon Sancho to Man United for just under £80m.

But the Norwegian's

head could be turned by such massive wage offer and change his mind about staying at Dortmund.

It's thought Chelsea will scrap the player swap plan and offer a straight £130m with the last £20m in additions depending on Haaland's performance at Stamford Bridge.

Should Haaland arrive, Chelsea boss Thomas

Tuchel could cut his losses with Timo Werner.

The German was one of former gaffer Frank Lampard's marquee signings last summer but things haven't gone to plan for the centre-forward.

Bayern Munich would be likely takers with Robert Lewandowski entering the final stages of his career at the highest level.
